ries pre-dating 4 April 2011 maps and national noces do not form part of the official record of uilding. In such cases the map here and the rid reference are generated from the list entry cial record and added later to aid identification			

Linting

For all list entries made on or after 4 April 2011 the map here and the national grid reference do form part of the official record. In such cases the map and the national grid reference are to aid identification of the principal listed building or buildings only and must be read in conjunction with other information in the record.

Any object or structure fixed to the principal building or buildings and any object or structure within the curtilage of the building, which, although not fixed to the building, forms part of the land and has done so since before 1st July, 1948 is by law to be treated as part of the listed
