	Each official record of a scheduled monument contain a map. New entries on the schedule from 1988 onward include a digitally created map which forms part of th official record. For entries created in the years up to an including 1987 a hand-drawn map forms part of th
	official record. The map here has been translated from the official map and that process may have introduce inaccuracies. Copies of maps that form part of th official record can be obtained from Historic England.
