grid references do not form part of the official record on a listed building. In such cases the map here and the national grid reference are generated from the list entry in the official record and added later to aid identification of the principal listed building or buildings. For all list entry in the official record on the mational grid reference are to aid identification of the principal listed building or buildings only and must be read in conjunction with or structure fixed to the principal listed building, which, although not fixed to the building of the land and had none so ince before 1s July, 1948 is by law to be treated as part of the listed building.
