New entries on the schedule from 1988 onwards include a digitally created map which forms part of the official record. For entries created in the years up to and including 1987 a hand-drawn map forms part of the official record. The map here has been translated from the official map and that process may have introduced
	inaccuracies. Copies of maps that form part of the official record can be obtained from Historic England.

All maps and grid references are for identification purposes only and must be read in conjunction with other information in the record.
